VOLUNTEER WORK

Friendship Community Bible Church (Member)

(Jun 2010 - Present)

Under the service ministry, I along with other health care professionals provide basic and urgent care to any member or guest during congregational meetings such as: church services, bible studies, and community events. We also provide quarterly health screenings including blood pressure, glucose, and body mass index assessments, along with recommendations for further evaluations. Finally, we also host monthly fitness events as a part of our prevention care measures.

Camp Hope (Physician)

(Jul 2011)

Provided basic assessments and medical care to camp participants who were children infected with HIV

Boys and Girls Club (Teen Summit Volunteer)

(Mar 2008)

Informed minority high school students on how to prepare and apply for college and medical school

Indian River Community College (Hispanic Health Fair Volunteer)

(Oct 2007)

Performed hearing and vision screening for children residing in Ft. Pierce, FL and surrounding areas

Planned Parenthood (Patient Care Volunteer)

(Feb 2005 - Jun 2005)

Patient care, customer service, and clerical duties; as well as shadow physicians
